BMJ Group and BASEM are delighted to announce that BJSM will publish 4 additional issues each year dedicated to "Injury Prevention and Health Protection" in elite and amateur athletes. We are grateful to the International Olympic Committee for their support of these additional issues.

These special issues will be Edited by Dr Lars Engebretsen, Head Scientific Activities, IOC

The first special issue is scheduled for September 2009 and is focused on **Sudden Cardiac Death in Athletes**, edited by Jonathan A Drezner, University of Washington, Seattle

We hope you enjoy these special issues of BJSM
